What to turn in

One call number and one question the book could answer.

No computer? Another way to do it

Printed call number cards and shelf signs only.

Finished early? Next challenge

Find a second book that could answer the same question.

Stay safe

Walk between shelves. Put books back where you found them or on the return cart.

Grade targets

Grade 5: Find one book with a partner using shelf signs.
Grade 6: Find two books on one topic and compare which answers the question better.

Stuck? Try this order

1. Read the step again, out loud if you can.
2. Ask a partner at your table.
3. Raise your hand. Keep working on the next part while you wait.
