Paper and markers with the same line rules.

Finished early? Next challenge

Improve the same work or rehearse your explanation. Ask before taking more materials.

Stay safe

Use teacher-approved materials and tools. Keep paths clear. Return tools before moving.

Grade targets

Grade 5: Four to six lines, large spaces, round every sharp corner.
Grade 6: Vary line widths and explain one color choice.

Stuck? Try this order

1. Read the step again, out loud if you can.
2. Ask a partner at your table.
3. Raise your hand. Keep working on the next part while you wait.
