What to turn in

One user difficulty and the change you plan.

No computer? Another way to do it

A partner acts as the user with a scenario card.

Finished early? Next challenge

Improve the same work or rehearse your explanation. Ask before taking more materials.

Stay safe

Use the approved classroom test. Do not test strength, comfort, or function on a person's body.

Stuck? Try this order

1. Read the step again, out loud if you can.
2. Ask a partner at your table.
3. Raise your hand. Keep working on the next part while you wait.
