You are done when

Hand in your reflection sheet.

You will use

- Student work and records from the year
- Reflection half sheets
- Pencils
- Inventory sheet for reusable sets
- Bags or folders for take home

Steps

35 minutes total. Your teacher says when to move on.

1 Step 1: Get ready — 2 min

- Find your work from this year.
- Read the goal: look back and take it home.

2 Step 2: Tell your partner — 1 min

- Tell a partner your favorite CIRC day.

3 Step 3: Lay out your year — 8 min

- Lay out your records, models and files.
- Find one piece you are proud of.

4 Step 4: Write your reflection — 10 min

- Draw or write one thing you learned.
- Write one thing you would change.

5 Step 5: Share one thing — 6 min

- Share your proud piece with a partner.

6 Step 6: Take it home — 6 min

- Pack your work to take home.
- Help count the reusable sets.

7 Step 7: Show your result — 2 min

- Hand in your reflection sheet.

What to turn in

Your reflection sheet. Everything else goes home.

No computer? Another way to do it

Draw, point to your work, or tell the teacher one sentence.

Finished early? Next challenge

Help count one reusable set on the inventory sheet.

Stay safe

Carry models with two hands. Keep walkways clear.

Grade targets

Grade 5: Draw or write one thing you learned and one thing you would change.
Grade 6: Write one evidence-backed tip for next year's class.

Stuck? Try this order

1. Read the step again, out loud if you can.
2. Ask a partner at your table.
3. Raise your hand. Keep working on the next part while you wait.
